

## **License Terms and conditions for “Sheik X Overwatch - Character Rig”**

By downloading and using any resources within this package from gumroad.com by Shayleen Hulbert, you agree that your use of all resources included in this package (including but not limited to the 3D model, geometry, textures, renders, documents, rig, plugins and tools) will be for your own personal educational use only. By downloading this package and using any of its resources within, you indicate that you have read these Terms, understand them, and agree to be legally bound by them.

This means that all resources within the package are protected by an educational license for single use and may be used solely for purposes directly related to personal learning, personal training, personal research or personal development. All resources in this package cannot be used for commercial, professional or any other for-profit purposes. This package is not to be redistributed in any way, all files included are not to be sold for profit, privately or on other platforms for purchase, to be used in a larger product that is to be distributed to other clients/customers (including but not limited to any merchandising, 3d printing, casting, game experiences/prototypes, vr experiences or avatars) if for profit or for non profit.

Recordings of what you use this content for (including animations, video, screenshots or renders) can be shared on social media and used for any portfolio work/show reels but must credit the original creators:

Shayleen Hulbert, the character artist

Jack Hamilton, the concept artist

And Perry Leijten, the creator of the character rig.

To see further links to their social media, they can be found in the introduction document also found in this package.

If you see these files being sold anywhere please send a private message to <https://twitter.com/UnicornDevGames> to let them know so an official takedown warning can be issued.

These resources are to be free for all via the official Gumroad store page to help support learning, please be respectful and use the best judgement on its use. Thank you.
